Inventories are required in Chichester and are due April 15.

Tax bills are due semi-annually.

The last day to appeal your property tax is March 1 following the end of the tax year of appeal.

Exemptions allowed in Chichester are the Elderly, Veteran, Handicap, Blind, Disability, and Solar.

SELECTMEN'S COMMENTS

Grange members have been busy improving the landscaping around the Town/Grange Hall. In time the lilacs, procured by Chris Bacon through the governor's Lilac Commission and planted by Grange members, will eventually make a beautiful hedge.

Governor Shaheen dropped by for a look and was suitably impressed.

The maple tree donated by Millican Nurseries and planted by the Grange, also makes a nice addition. The bark mulch helps with maintenance and keeps the side bank from washing into the parking lot.

Bruce Dyke deserves a big thank you for his assistance in choosing our new computer hardware.

Thanks also to Dave Marsh for his assistance in developing our Web page.

Thank you is hardly adequate for the many hours Earl Weir has spent helping with and adjusting our computer software system. His support and efforts have saved Chichester many dollars over the last ten years. Thanks again, Earl.

We'd like to thank all the volunteer efforts of our committees and boards, especially the planning board which has been busier and busier over the last several years.

Selectman Bailey fixed the wooden fence on the east side of the Town Hall.

Theodore Bailey
Jeffrey Jordan
Frederick Fenton

1999 Town Meeting Minutes

The polls were declared open to vote at 10:00 AM on March 9, 1999. Moderator, Douglas Hall, presided over the meeting. Shirley Waters was sworn in to serve as deputy moderator in Moderator Hall's absence. Prayer was offered by Reverend John Loker. The polls closed at 7:00 PM. The meeting was continued to the deliberative session scheduled for Saturday, March 13, 1999 at 10:00 AM.

1. To choose all necessary Town Officers for the year ensuing. (Ballot)

The election results are as follows:

Selectman:	Frederick Fenton	186
Tax Collector:	Evelyn Pike	360
Town Clerk:	Judy Kenneally	346
Library Trustee:	Patricia Hauck	315
Budget Committee 2 yrs:	John Martell	340
Budget Committee 3 yrs:	Walter Sanborn	321
Budget Committee 3 yrs:	Eugene Herbert	314
Treasurer:	Rebecca Herbert	339
Trust Fund Trustee:	Carolee Davison	4
Moderator:	Douglas Hall	321
Cemetery Trustee 1 yr:	Harold Arey	198
Cemetery Trustee 2 yrs:	Allan Clark	252
Cemetery Trustee 3 yrs:	Harold Arey	25

Zoning Question:

Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town of Chichester, New Hampshire? (By petition)

Yes 159

No 132

The question needed 60% of the zoning ballots to pass. The question failed.

The meeting was reconvened at 10:00 AM by Moderator, Douglas Hall, on March 13, 1998. The day was sunny and cold. Prayer was offered by Reverend John Loker. Reverend Loker asked the body to extend a moment of silence for the those deceased during the prior year. Evelyn Pike led the Pledge of Allegiance. Moderator Hall presented the rules of the meeting and all agreed. A motion was made and seconded to allow non-residents to speak during the deliberation.

Article 2 through article 20 was considered at the deliberative session of the Annual Town Meeting on Saturday, March 13, 1999, beginning at 10 o'clock in the forenoon at the Grange Hall.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Budget)

Amendment: Line # 4155 Personnel Adm. was increased by \$3,000 to \$19,500.

The budget was approved at \$846,753.

Amendment passed.

Amended article passed.

3. To see if the Town will vote to appropriate the sum of \$2,400.00 (Two thousand four hundred dollars) to purchase a computer for the Police Department with the moneys being raised in the following manner. \$1200.00 (One thousand two hundred dollars) to be taken from the Police Department Computer Capital Reserve Fund and the remaining \$1200.00 (One thousand two hundred dollars) to be raised through taxes. Recommended by the Selectmen.

Article passed.

4. To see if the Town will vote to withdraw the sum not to exceed \$15,000 (Fifteen thousand dollars) from the Town Facilities Capital Reserve Fund to renovate the town office. Recommended by the Selectmen.

Article passed.

5. Shall we adopt the provisions of RSA 31:95-c to restrict 100 percent of revenues from ambulance billing to expenditures for the purposes of rescue vehicle replacement, or refurbishment, and rescue equipment purchase and replacement. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Rescue Vehicle and Equipment Fund, separate from the General Fund. Any surplus in said fund shall not be deemed part of the General Fund accumulated surplus and shall be expended only after a vote by Town Meeting to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. (ballot vote)

Ballot vote: yes 65 no 35

Article passed.

It was moved and seconded to bring article 9 forward.

9. To see if the Town will vote to establish a Forestry Vehicle Capital Reserve Fund under the provisions of RSA 35:1 and to raise and appropriate the sum of \$2,000.00 (Two thousand dollars) for said fund. The purpose of this fund shall be the purchase and/or refurbishment of vehicles for woodland fire fighting. Recommended by the Selectmen

Article passed.

It was moved and seconded to bring article 11 forward.

11. To see if the Town will vote to appropriate the sum not to exceed \$15,000 (Fifteen thousand dollars) for the purpose of purchasing computer software and hardware for the Selectmen's office and withdraw \$15,000 (Fifteen thousand dollars) from the Office Equipment Capital Reserve Fund. Recommended by the Selectmen

Amendment:

To see if the Town will vote to appropriate the sum not to exceed \$5,000 (Five thousand dollars) for the purpose of purchasing computer software and hardware for the Selectmen's office and withdraw \$5,000 (Five thousand dollars) from the Office Equipment Capital Reserve Fund.

Amendment passed.
Amended article passed.

6. To see if the town will vote to raise and appropriate \$24,398.00 (twenty-four thousand three hundred ninety-eight dollars) to be placed in the Rescue Vehicle and Equipment Fund and to authorize the use/transfer of the December 31, 1998 unreserved-undesignated fund balance for this purpose. (This amount reflects the receipts from 1998 ambulance billing and will be placed in the new fund created in the prior article.) Recommended by the Selectmen

Article passed.

7. To see if the Town will vote to raise and appropriate \$24,398.00 (Twenty-four thousand, three hundred ninety-eight dollars) to be placed in the Rescue Vehicle Capital Reserve Fund and to authorize the use/transfer of the December 31, 1998 unreserved-undesignated fund balance for this purpose. (This amount reflects the receipts from 1998 ambulance billing. This article addresses the existing Capital Reserve Fund and will not be needed if the previous two articles are approved.) Recommended by the Selectmen

Article passed over.

8. To see if the Town will vote to raise and appropriate a sum not to exceed \$5,000.00 (Five thousand dollars) for the purchase of a cardiac defibrillator machine, and to authorize the Selectmen to withdraw such funds from the Rescue Vehicle and Equipment Fund. Recommended by the Selectmen

Article passed.

10. To see if the Town will vote to raise and appropriate \$90,000 (Ninety thousand dollars) to be added to the following capital reserve funds and to authorize the use/transfer of \$45,000 (Forty-five Thousand dollars) of the December 31, 1998 unreserved-undesignated fund balance for this purpose, \$45,000 (forty-five thousand dollars) to be raised in taxes. (Majority vote required) Recommended by the selectmen:

Town Reappraisal	\$	10,000	Town Facilities	\$	5,000
Police Cruiser		10,000	Library		2,000
Office Equipment		15,000	Rescue Truck		2,000
Town Bridges		5,000	Fire Station		0
Town Roads		21,000	Septic Disposal		0
Fire Truck		10,000	Conservation		0
Highway Heavy Equip		10,000			

Amendment:

To see if the Town will vote to raise and appropriate \$78,000 (Seventy-eight thousand dollars) to be added to the following capital reserve funds and to authorize the use/transfer of \$40,000 (Forty thousand dollars) of the December 31, 1999 unreserved-undesignated fund balance for this purpose, and \$38,000 (Thirty-eight thousand dollars) to be raised in taxes.

Town Reappraisal	10,000	Town Facilities	5,000
Police Cruiser	10,000	Library	2,000
Office Equipment	5,000	Rescue Truck	0
Town Bridges	5,000	Fire Station	0
Town Roads	21,000	Septic Disposal	0
Fire Truck	10,000	Conservation	0
Highway Heavy Equip	10,000		

Amendment passed.
Amended article passed.

12. To see if the Town will vote to open and maintain a section of Short Falls Road, so called, as a Class Five road 1550 feet from Leavitt Road to the east most side of the Marsh property marked by a stone wall and identified as map 4, lot 58. This road will not be accepted until improvements are completed and approved by the Road Agent according to Class V standards. (Recommended by the Selectmen)

Amendment:

To see if the Town will vote to open and maintain a section of Short Falls Road, so called, as a Class Five road 1550 feet from Leavitt Road to the east most side of the Marsh property marked by a stone wall and identified as map 4, lot 58f. This road will not be accepted until improvements are completed and approved by the Road Agent according to Class V standards and at no expense to the Town.

Amendment passed

Amended article passed.

13. To see if the Town will vote to open and maintain a section of Pound Road, so called, from the West boundary of lot 104 on map 5, 730 feet to the lot identified as map 5, lot 106. This road will not be accepted until improvements are completed and approved by the Road Agent according to Class V standards. (Recommended by the Selectmen)

Amendment:

To see if the Town will vote to open and maintain a section of Pound Road, so called, from the West boundary of lot 104 on map 5, 730 feet to the lot identified as map 5, lot 106. This road will not be accepted until improvements are completed and approved by the Road Agent according to Class V standards and at no expense to the Town.

Amendment passed.

Amended article passed.

14. To see if the Town will vote to open and maintain a section of Lover's Lane, so called, as a Class Five road, 470 feet from the corner of Smith Sanborn Road and Lover's Lane to a lot identified as map 1, lot 4. This road will not be accepted until improvements are completed and approved by the Road Agent according to Class V standards. (Recommended by the Selectmen)

Amendment:

To see if the Town will vote to open and maintain a section of Lover's Lane, so called, as a Class Five road, 470 feet from the corner of Smith Sanborn Road and Lover's Lane to a lot identified as map 1, lot 4. This road will not be accepted until improvements are completed and approved by the Road Agent according to Class V standards and at no expense to the Town.

Amendment passed.

Amended article passed.

15. To see if the Town will vote to delegate to the local governing body the authority to accept dedicated streets, pursuant to RSA 674:40-a, after approval of the planning board. The local governing body shall hold a public hearing on the proposed acceptance prior to taking action. A street which has not received such prior planning board approval shall not be accepted without a vote of the local legislative body.

Moved and seconded to pass over. Motion defeated.

Article passed.

16. To see if the Town will vote to raise and appropriate the sum not to exceed \$110,000 (One hundred ten thousand dollars) to construct a highway salt shed. \$15,000 (Fifteen thousand dollars) to be withdrawn from

the Town Facilities Capital Reserve Fund and \$95,000 (Ninety five thousand dollars) to be raised in taxes. Recommended by the Selectmen.

Moved and seconded to pass over. Motion defeated.

Amendment:

To see if the Town will vote to raise and appropriate the sum not to exceed \$110,000 (One hundred ten thousand dollars) to construct a highway salt shed upon review of plans and specifications by the Board of Selectmen with review and approval of the Department of Environmental Services seeking Federal and/or State funding that may be available. \$15,000 (Fifteen thousand dollars) to be withdrawn from the Town Facilities Capital Reserve Fund and \$95,000 (Ninety five thousand dollars) to be raised in taxes.

Amendment passed.

Amendment:

To see if the Town will vote to raise and appropriate the sum not to exceed \$110,000 (One hundred ten thousand dollars) to construct a highway salt shed upon review of the plans and specifications by the Board of Selectmen with the review and approval of the Department of Environmental Services seeking Federal and/or State funding that may be available. \$15,000 (Fifteen thousand dollars) to be withdrawn from the Town Facilities Capital Reserve Fund and \$95,000 (Ninety five thousand dollars) to be raised in taxes.

Amendment passed.

Amendment:

To see if the Town will vote to raise and appropriate the sum not to exceed \$110,000 (One hundred ten thousand dollars) to construct a highway salt shed upon review of the plans and specifications by the Board of Selectmen with the review and approval of the Department of Environmental Services seeking Federal and/or State funding that may be available subject to review and approval of the plans of the planning board. \$15,000 (Fifteen thousand dollars) to be withdrawn from the Town Facilities Capital Reserve Fund and \$95,000 (Ninety five thousand dollars) to be raised in taxes.

Amendment defeated.

Amendment:

To see if the Town will vote to raise and appropriate the sum not to exceed \$110,000 (One hundred ten thousand dollars) to construct a highway department facility upon review of the plans and specifications by the Board of Selectmen with the review and approval of the Department of Environmental Services seeking Federal and/or State funding that may be available. \$15,000 (Fifteen thousand dollars) to be withdrawn from the Town Facilities Capital Reserve Fund and \$95,000 (Ninety five thousand dollars) to be raised in taxes.

Amendment passed.

Amended article passed.

17. Shall we adopt the provisions of RSA 79-A:25a to account for revenues received from the land use change tax in a fund separate from the general fund? Any surplus remaining in the land use change tax fund shall not be part of the general fund until such time as the legislative body shall have had the opportunity at an annual meeting to vote to appropriate a specific amount from the land use change tax fund for any purpose not prohibited by the law or by the constitution of this state. After an annual meeting any unappropriated balance of the land use tax revenue received during the prior fiscal year shall be recognized as general fund revenue for the current fiscal year. (By petition)

Amendment:

To see if the Town will deposit 50% of the revenues collected pursuant to RSA 79A (Land Use Change Tax) in the conservation fund in accordance with RSA-A:25II.

Amendment passed.

Amendment:

To see if the Town will deposit 20% of the revenues collected pursuant to RSA 79a (Land Use Change Tax) in the conservation fund in accordance with RSA-A:25II.

Amendment defeated.

Amended article passed.

18. To see if the Town will vote to establish a School and Recreation Fund to accept and disperse impact fees (\$1000/lot) from the Marden Farms development as agreed to at Public Hearing held July 7, 1998. The Chairman, Conservation Commission and Chairman, Chichester School Board will be jointly responsible for allocating said funds to deserving projects. (By petition)

Amendment:

To see if the Town will vote to establish a School and Recreation Fund to accept and disperse impact fees (\$1000/lot) from the Marden Farms development as agreed to at Public Hearing held July 7, 1988. The Board of Selectmen will be responsible for allocating said funds to deserving projects.

Amendment passed.

Moved and seconded to pass over.

Article passed over.

19. To see if the Town will withdraw \$15,000 (Fifteen thousand dollars) from the Town Roads Capital Reserve Fund to finish Ferrin Road. Recommended by the Selectmen.

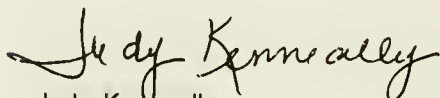

Moved and seconded to pass over.

Article passed over.

20. To transact any other business that may legally come before said meeting.

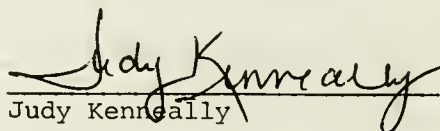

Meeting adjourned at 3:30 PM.

Respectfully submitted,

Judy Kenneally
Town Clerk

A True Copy Attest:

Judy Kenneally

Dated: 1/24/00

THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 10:00 AM TO 7:00 PM

TOWN OF CHICHESTER

COUNTY OF MERRIMACK

2000

WARRANT

To the inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Grange Hall in said Chichester on Tuesday, the 14th day of March, 2000 next at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Ballot)

Article 2 through article 21 will be considered at the second session of the Annual Town Meeting on Saturday, March 18, 2000, beginning at 10 o'clock in the forenoon at the Grange Hall.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Budget)
3. To see if the Town will vote to abandon the old portion of Depot Road between the Haines Chapel (map 5, lot 59) and the Marston property (map 5, lot 55). (Recommended by the Selectmen) (Recommended by the budget committee)
4. To see if the Town will vote to open Mason Road 430 feet to connect to Towle Road. (Recommended by the Selectmen) (Recommended by the budget committee)
5. To raise and appropriate \$85,000 for paving Bear Hill Road. \$35,000 (Thirty-five thousand dollars) to be withdrawn from the Town Roads Capital Reserve Fund and \$50,000 (Fifty thousand dollars) to be raised in taxes. (Recommended by the Selectmen) (Recommended by the budget committee)
6. To see if the Town will vote to raise and appropriate \$116,000 (One hundred sixteen thousand dollars) to be added to the following capital reserve funds and to authorize the use/transfer of \$59,000 (Fifty-nine thousand dollars) of the December 31, 1999 unreserved-undesignated fund balance for this purpose, \$57,000 (Fifty-seven thousand dollars) to be raised in taxes. (Majority vote required) (Recommended by the selectmen) (Recommended by the budget committee)

Town Reappraisal	\$	25,000
Police Cruiser		10,000
Office Equipment		15,000
Town Bridges		5,000
Town Roads		25,000
Fire Truck		15,000
Highway Heavy Equip		10,000

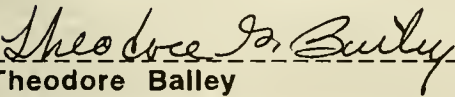

Town Facilities	\$	5,000
Library		2,000
Rescue Truck		0
Fire Station		2,000
Septic Disposal		0
Conservation		0
Forestry Vehicle		2,000

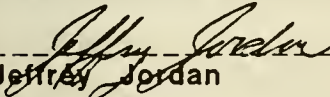

7. To see if the Town will vote to raise and appropriate the sum of \$8119 (Eight thousand one hundred nineteen dollars) and to authorize the Selectmen to withdraw the funds from the Police Cruiser Capital Reserve Fund to make the final payment on the 1998 police cruiser 3-year lease. (Recommended by the Selectmen) (Recommended by the budget committee)
8. To see if the Town will vote to raise and appropriate the sum of \$12,340 (Twelve thousand three hundred forty dollars) and authorize the Selectmen to enter into a three-year lease/purchase agreement for the purpose of acquiring and outfitting a 2000 police cruiser for the Police Department and to take the 1996 cruiser out of service. (Recommended by the Selectmen) (Recommended by the budget committee)
9. To see if the Town will vote to establish the Police Office Equipment Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of acquiring and/or replacing office equipment/machines when needed and to raise and appropriate the sum of \$2000 (Two thousand dollars) to be placed in said fund and to designate the Selectmen as agents of the Town for said Capital Reserve Fund. (Recommended by the Selectmen) (Recommended by the budget committee)
10. To see if the Town will vote to raise and appropriate a sum not to exceed \$3,500 (Three thousand five hundred dollars) and to withdraw the sum from the Library Capital Reserve to purchase and replace the existing furnace and perform related duct work in the Library. (Recommended by the Selectmen) (Recommended by the budget committee)
11. To see if the Town will vote to raise and appropriate \$150,000 (One hundred fifty thousand dollars) to purchase land on Main Street (map 5, lot 17) and to authorize the use/transfer of \$150,000 (One hundred fifty thousand dollars) of the December 31, 1999 unreserved-undesignated fund balance for this purpose. (Recommended by the Selectmen)
12. Shall we modify the exemption for the totally and permanently disabled. The exemption, based on assessed value, for qualified taxpayers shall be \$55,000. To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$15,000 or if married, a combined net income of not more than \$25,000; and own net assets not in excess of \$50,000 excluding the value of the person's residence. (Recommended by the Selectmen) (Recommended by the budget committee) **Requires ballot vote.**
13. To see if the Town will vote to abandon a portion of old road on the north side of Horse Corner Road. The lots affected are identified as map 2, lot 2-1 and map 2, lot 2-2. (Recommended by the Selectmen) (Recommended by the budget committee)
14. To see if the Town will vote to open 460 feet of Lover's Lane from Short Falls Road. (Recommended by the Selectmen) (Recommended by the budget committee)
15. To see if the Town will vote to authorize the Selectmen to apply for Community Development Block Grant (CDBG) funds under the authority of RSA 4-C:14, such funds to be applied to the development of public facilities, economic development opportunities and such other endeavors authorized by the CDBG. This authority can be exercised by the Selectmen for future projects recommended by Town citizens and approved at Public Hearings. (Citizen petition) (Not recommended by the Selectmen) (Not recommended by the budget committee)
16. To see if the Town will vote to purchase the Haines Memorial Chapel, Tax map 5, lot 59 for the sum of \$99,900.00, or lesser price to be negotiated, for use as a youth center, seniors center and community assembly meeting place. (Citizen petition) (Not recommended by the Selectmen) (Not recommended by the budget committee)

17. To see if the Town will vote to raise and appropriate the sum not to exceed \$3,000.00 (Three thousand dollars) for work at the fire-rescue building. Work to include additional attic ventilation, rear steps from training room, kitchen cabinets and venting, to the extent that funding allows. The selectmen shall be authorized to withdraw \$2,100 (Two thousand one hundred dollars) from the Fire Station Capital Reserve Fund and the remaining \$900.00 (Nine hundred dollars) shall be raised by current year taxes. (Recommended by the Selectmen) (Recommended by the budget committee)
18. To see if the Town will vote to raise and appropriate a sum not to exceed \$3,000.00 (Three thousand dollars) for the purchase of rescue-extrication equipment, and to authorize the Selectmen to withdraw such funds from the Rescue Vehicle and Equipment Fund. (Recommended by the Selectmen) (Recommended by the budget committee)
19. To see if the Town will vote to raise and appropriate the sum not to exceed 50,000 (Fifty thousand dollars) for the purpose of leasing an ambulance and to authorize the Selectmen to enter into a four-year renewable contract with a non-funding escape clause for the lease of said vehicle. Funding to be raised in the following manner; \$50,000 (Fifty thousand dollars) to be taken from the Rescue Vehicle and Equipment Special Revenue Fund. (Total ambulance cost will be approximately \$100,000. At the end of the lease, the Town will own the ambulance. The exact amount of future payments will be determined by the total cost divided by the length of the lease. It is intended that future years income into the Rescue Vehicle and Equipment Fund would be requested to make the lease payments.) (Recommended by the Selectmen) (Recommended by the budget committee)
20. To see if the Town will vote to raise and appropriate the sum not to exceed \$3,500 (Three thousand five hundred dollars) for the purpose of modifications to the fire truck body of Fire Department Engine 2, and to authorize the Selectmen to withdraw such funds from the Fire Truck Capital Reserve Fund. (Recommended by the Selectmen) (Recommended by the budget committee)
21. To transact any other business that may legally come before said meeting.

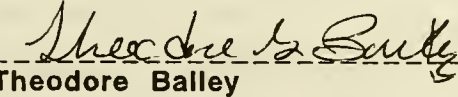

Given under our hands and seals this 15th day of February, In the year of our Lord Two thousand.

DEPARTMENT OF REVENUE ADMINISTRATION
MUNICIPAL SERVICES DIVISION
P.O. BOX 487, CONCORD, NH 03302-0487
(603)271-3397

BUDGET OF THE TOWN/CITY

OF: CHICHESTER

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2000 to December 31, 2000

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the above address.

DATE: February 2, 2000

GOVERNING BODY (SELECTMEN)

Please sign in ink.

Theodore R. Butler
Jeffrey C. Jordan
Frederick W. Fenton

Mark A. C. C. C.
Jeffrey C. Jordan
Frederick W. Fenton

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Chichester
Chichester, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Chichester as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Chichester has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Chichester, as of December 31, 1999, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 20 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Chichester is or will become year 2000 compliant, the Town of Chichester's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Chichester does business are or will become year 2000 compliant.

Town of Chichester
Independent Auditor's Report

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Chichester taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Chichester. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Respectfully submitted,

Judy Kenneally
Town Clerk

CHICHESTER POLICE DEPARTMENT

Another year with major happenings in the department. We welcomed Officer Patrick Clarke into the fold to fill the full time position. Pat lives in Belmont with his wife Stacey and their daughter Kelsey. He has worked as a part time officer for the Town of Sanbornton and will enter the full time academy in Concord on January 31st. of this year.

The department now has its first computer and we are gradually working into it. Building forms and programs has been a challenge but it's coming slow but sure, thanks to Pat.

We are asking this year to start a Capital Reserve Fund to cover future costs of office equipment/machines. When we moved into the new station two years ago we had to purchase a new fax machine, copier, etc. rather than run back and forth to the Town Hall when we needed these things. Because it was October and no money had been budgeted that year we purchased small inexpensive equipment. The use these machines get is quite heavy and we want to be prepared to replace them when the time comes.

We are also asking to replace the 1996 cruiser. This is the normal rotation year for this vehicle. In 1999 this vehicle had many unforeseen problems that cost money we were not prepared for. It also had a few problems that were, thankfully, covered by the extended warranty. The more time this vehicle spends down means more miles accumulating on the 1998 cruiser.

Your support for these requests would be greatly appreciated.

As always, never hesitate to call us and please stop in a see what's happening with us.

Respectively submitted, A.L. Emerson, Chief of Police

Your Officers,

Patrick Clarke
John Martell
Joseph Orlando
Keith Yeaton
Ron Parlangeli
Robert Tibbetts

Road Agent's Report

This past year we paved Highland Rd. in Five Hills Estates, Mason Rd., the town shed parking lot, and the basketball court at Carpenter Park. This year we have already purchased 3200 tons of crushed gravel to put on as many dirt roads as possible. We hope to pave all of Bear Hill Rd. or Horse Corner Rd., whichever one is in the worst shape after this winter is over. We also hope to do more ditching on some of the other roads. I am going to start looking into replacing the bridge on Webster Mill Rd. This will probably take some time and planning with an engineer and designer.

The salt shed is up and we are using it now. Everything is finished except the shingling of the roof because it got too cold before it could be done. It will be finished once the warmer weather comes again.

Once again I thank all of you for your continued support and understanding.

Town of Chichester, Fire – Rescue Department

Volunteers in Service to Our Community

Members of your Community Fire-Rescue Department have completed another full year of activities. From answering emergency calls, to training, to supporting and participating in community activities, the members of this Department have given of their time and energy. This year we answered 370 calls for service, an average of over 1 call per day. Because of the demand this puts upon our volunteers, the Town will have to give serious consideration to augmenting them with paid staff in the near future. We are also continuously trying to recruit new volunteers, hoping to have as many people as we can, available at various times of the day.

The Department has had several new personnel join our ranks this year. These members, along with existing personnel have participated in many hours of training. There is a training or meeting nearly every Monday evening of the year. In addition to these trainings, many members have participated in additional training including Hazardous Materials, Recruit School, Incident Command, Fire Command Operations, Emergency Medical Technician, and many other subjects.

In August of 1999 the Department instituted a resident student program. In this program we have 3 students who are enrolled in the Fire Science Program at the NH Technical College in Laconia, living at the fire station during the school year. These students become full Department members, and in exchange for their housing they provide daytime and weekend duty time to the Department when they are not in classes. They also respond to calls, along with the other volunteers, when they are not officially on duty, but are in the area. These students have been an asset to the Department, and have been available to give information and answer questions at times that the fire station would have been otherwise un-staffed.

The new fire engine that the Department received last year has been working out well. After getting a few of the “bugs” worked out, it has been problem-free. Any work that was done was covered under the manufacturers’ warranty.

We will be presenting some requests for funds in the Town Warrant. For the most part, these articles will be paid for by funds that are already in place. Please watch the Suncook Sun for an article explaining these Warrant requests.

During Fire Prevention Week in October, Department members made several visits to local schools to promote the fire safety message.

I again would like to thank the Chichester Firefighters Association, which is made up of Department members, for their generous financial and physical support of both Department and Community activities. Some of these include helping fund the purchase of the new cardiac defibrillator, support of the Youth Athletic Assoc., and assisting the Old Home Day committee.

Even though we did not experience a large number of woods fires in our Town last year, we were called upon many times to assist other Towns. Last year we experienced many days of extreme forest fire danger, and with the limited snowfall so far this winter, this year may bring more of the same. Remember, a burning permit for outside fires is required any time that the ground is not covered by snow. Thank you for your cooperation.

In closing, let me thank those of you who have given us kind words of support and appreciation for what we do. Your encouragement means a lot to us.

Respectfully submitted, Paul W. Sanborn, Fire Chief

Chichester Fire-Rescue Budget -1999 Approved & Spent versus 2000 Requested

Being a volunteer fire fighter or emergency medical technician offers one reward few jobs can match.

Few jobs offer the opportunity to save a life. But as a volunteer firefighter or emergency medical technician, you could be called upon to do that at a moment's notice.

That's why we need people with a strong desire to help others.

You'll also need courage, dedication, enthusiasm, and willingness to learn new skills and face new challenges.

If you want to do something important for your community, and are willing to take on this challenging opportunity, stop by the fire station on any Monday night to talk with us. We are currently accepting applications for firefighters, emergency medical technicians, and Support Service members. No prior training is required.

For further info, stop by the stations or call Chief Paul Sanborn at 798-5050.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

CHICHESTER PLANNING BOARD

JANUARY 21, 2000

Lead by the build-out of Marden Farms subdivision, now known as Woodland Crossings, with a total of 25 new residential dwellings and followed by another 18 new homes built in various other smaller subdivisions or individual lots Chichester has seen phenomenal growth in 1999. This growth rate if uncontrolled will place Chichester town services, particularly schools, police and fire, in dire straits in the near future.

This circumstance and others have prompted the Chichester Planning Board to initiate the changes in the zoning ordinances that you will have seen on the ballot voting day. The growth rate ordinance will be re-evaluated yearly. The growth rate is meant to keep Chichester "in-sync" with the surrounding towns of Epsom, Pittsfield, Loudon and Pembroke. The other side of the growth rate equation is impact fees ordinance. An impact fee is a one time fee charged to the owner of a new residential dwelling to help offset the direct impact that the new home has on town services, i.e. Schools, fire , police, roads, library and other town services.

Other zoning ordinances changes brought forward by the Planning Board have not received as much notoriety but deal with such as the allowable length of dead-end roads, how to deal with home-occupations in the commercial zone and sexually orientated business'.

The volunteer members of the Planning Board are firm in their resolve and should be thanked for their time and efforts.

This extremely busy year which we have just completed can only be the prelude to the challenges and circumstances in store for Chichester in the future.

Respectfully,

Tracy Scott
Mr. Tracy Scott
Chairman

BOARD OF ADJUSTMENT

Moderator, Doug Hall

TOWN OF CHICHESTER

BUILDING INSPECTOR

Tel. No. 798-4350

Annual Report Of Building Official

The 1999 Permit activity showed a large increase over the 1998 level. Many inquiries were made regarding building regulations in Chichester. There were a total of 77 building permits issued in 1999 compared to a total of 46 permits issued in 1998. The breakdown is as follows:

43	Single Family Dwellings
4	Dwelling Additions
8	Dwelling Renovations
11	Garages, Barns, Sheds
2	Commercial Buildings
3	Commercial Additions
2	Mobile Homes
3	Other (Pool, School Addition, Communication Tower)

There was an increase in new family dwellings (including Mobile Homes):

22 in 1997 - 15 in 1998 - 45 in 1999

Annual Report Of Building Official – Continued

There were other inspections done which were not related to permits issued for this year or other previously issued permits.

Building Permit forms are available in the lobby of the Town Offices or by contacting the Building Inspector. Acquiring a blank Building Permit form prior to contacting the Building Inspector assures that you will come ready with the required information. A building Permit cannot be issued for a new family home or new commercial construction without an approved waste disposal “septic” system from the State of New Hampshire Water Supply and Pollution Control Division and a driveway design approval from the Town Road Agent.

The Town’s current Building Codes are the 1996 BOCA Building and Fire Prevention codes, the 1988 Life Safety Code, as well as locally adopted codes which are more stringent. State law also requires that all new structures as well as structures which are being improved to more than 50% of their assessed value be in compliance with the NH State Energy code. The addition of bed or bathrooms may also require your septic system to be reviewed.

The Building Inspector is available almost any time; if you have any questions regarding work being done or you need an inspection do not hesitate to call. If hiring contractors you should not hesitate to check their credentials or references.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. David Paveglia", written in a cursive style.

Chichester Town Library
ANNUAL REPORT
1999

For the Chichester Town Library, 1999 was a busy, though uneventful, year. The library experienced heavy and more consistent use of its resources as patrons adjusted to the current hours of operation.

A few years ago, the library trustees took on the task of computerizing the library. The following briefly describes the process to date: Computerization of our collection was accomplished in two years, thanks mostly to the efforts of many volunteers. Emphasis was placed on getting the entire collection barcoded and entered on the computer as quickly as possible so that time and energy was not wasted on running the library on two systems at the same time. Once this was accomplished and materials were being checked in and out by computer, the long laborious task of editing, correcting and completing the catalog records was started. Simultaneously, our collection was being added to the State Library's database. This enabled other libraries the opportunity to view and request books from our collection through the interlibrary loan system.

The next step in the process was, and is, to re-label books with clearer easier-to-read labels, and to cover or re-cover them for added protection, thus increasing their shelf life. Although this procedure takes approximately thirty minutes per book, it adds significantly to the original cost of the books. With a collection of approximately 13,000 books, volunteers again are assisting us by accomplishing many of the routine tasks in the library, so that the librarian can focus on this task. The goal is to have the entire collection catalogued, labeled and protected, and most of it available through the State Library database by 2005. Using the computer in our library, a patron will access our catalog file and search for material by author, title and/or subject; learn whether the material is available; and if so, its location in our library; and then easily find the material in the library. This process has been ongoing for a number of years. But, where most libraries our size have contracted this job to firms specializing in this type of work, we have saved a significant amount of money by utilizing the time and work contributed by our many volunteers.

If we measured the library's success solely by its volunteers, then 1999 was a successful year for the Chichester town library! The library is extremely fortunate to have the assistance of so many volunteers. To all volunteers who have contributed their time to perform the many tasks essential to keeping the library operating smoothly at a reduced cost -- whether it be working behind the desk in the library or at a book

sale, cooking for our bake sales, or donating time or skills in some other fashion -- we express our heartfelt THANK YOU!

The trustees welcome any comments for improving the services we provide within the funds appropriated. Please feel free to contact our librarian or any of the trustees with your comments. The trustees' meetings are held the second Monday of each month and are open to the public. Anyone wishing to place an item on the agenda should contact the librarian prior to the meeting.

Chichester Town Library

Explanation of 2000 proposed budget by line item

Line item 1; (Salary) An annual increase of \$1500. This is part of a long term goal, set by the trustees in 1994 to bring the librarian's salary up to a somewhat competitive level. The annual increase is calculated to make the salary somewhat competitive by the time the present librarian retires. (Year 2010?)

Line item 2; (Medicaid/Social Security) An increase of \$113. This increase is a result of the increase in line item #1

Line item 3; (Education) This line item is for tuition and related fees for formal education, seminars and training sessions required by the state standards and to be attended by the librarian and trustees.

Line item 4; (Programs / family passes) This line item is for expenses incurred for library sponsored programs and for the purchase of family passes to local attractions.

Line item 5; (Supplies) This line item is for office supplies and paper items.

Line item 6; (Postage) Decrease of \$50 Most of this line item pays for notifying patrons of overdue library materials.

Line item 7; (Equipment) An increase of \$200 This line item is for repairs to equipment such as the copier, and purchasing items such as shelving, furniture, and furnishings.

Line item 8; (Telephone)

Line item 9; (Building maintenance) This item is for exterior / interior maintenance of the building and grounds, and for janitorial supplies.

Line item 10; (Insurance) A \$25,000 policy intended to replace a "core" collection of books in case of a loss. Books are not covered in the town policy.

Line item 11; (Printing/advertising)

Line item 12; (Computer services) This item is for computer repairs, maintenance of data base, and related services including custom programming.

Line item 13; (Professional dues) This item is for dues to library related organizations and the SILC cooperative.

Line item 14; (Collection development) An increase of \$500. This item is for the purchase of books, videos, audios encyclopedias and other reference works as well as magazine subscriptions.

Line item 15; (Collection preservation, maintenance and repairs) This item pays for book, audio, and video repairs, protective covers for books, and video and audio cases.

Summary

This budget is an increase of \$3163 over the 1999 budget. \$1613 of this increase is salary related. A \$500 increase is in the book budget. A \$1000 increase is for the maintenance of the building and grounds.

ANNUAL REPORT OF THE TOWN OF CHICHESTER

The Concord Regional Visiting Nurse Association (CRVNA) continues to offer comprehensive health services to the residents of Chichester. The following is a description of these services:

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting. Patients who receive services range from children who have a complex medical condition to frail elders who require supportive assistance to stay in their own homes.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

CRVNA's Hospice House provides residential care to terminally ill patients who have no primary caregiver or need a supported residential setting. Often times patients are transferred into the Hospice House when a caregiver is exhausted and unable to care for them at home any longer. To date, this house has provided a home to approximately 500 terminally ill residents.

Community Health services include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, supportive services to school districts parent education and support, health education and nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Over the past two years Senior Health Clinics have expanded to reach out to seniors who may required a monthly check by a nurse of their blood sugar, blood pressure, and/or diabetes management. The expansion of these services was in response to the decrease in Medicare services to seniors.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Chichester may request service; patient, doctor, health facility, pastor, friend or neighbor. The nurse who completes an assessment will coordinate with the patient's physician a plan of care to meet the patient's specific needs. If the patient does not have a physician the nurse will assist the patient to identify one and schedule a visit. The agency has developed a program with the NH-Dartmouth Family Practice Residency Program to coordinate a house call visit by a resident to a frail elder's home who is unable to leave his/her home.

A call to Concord Regional Visiting Nurse Association (1-800-924-8620) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call twenty-four hours a day. The On-Call Nurse can be reached by calling 1-800-924-8620.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. The community health services are provided to residents often times free of charge. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) with commendation and is a member agency of the United Way of Merrimack County.

Total visits made during October 1, 1998 through September 30, 1999:

	<u>No of Clients</u>	<u>Visits</u>
Home Care/Hospice	31	400
Community Health Services		
- Immunizations	8	8

UNH Cooperative Extension provides Merrimack County residents with research-based education and practical information, enhancing their ability to make informed decisions that strengthen youth, families and communities, sustain natural resources, forests, wildlife and agriculture, and improve the economy.

Merrimack County residents benefit from county and statewide Extension programming. Among these many local and state efforts are monitoring water quality in our lakes and rivers, reducing the use of pesticides, parenting, television and educational programs, 4-H and youth development programs, land use management, food safety, forest stewardship, family finances, meeting the needs of low income families, strengthening our communities, developing a strong volunteer base through our local Advisory Council, Master Gardeners, Coverts Project, Family Focus parenting volunteers and 4-H leaders, and providing research-based information to citizens.

In January UNH Cooperative Extension will open the new Family, Home & Garden Education Center located in Manchester. The center will have a toll-free InfoLine staffed by Master Gardeners. The InfoLine will hand questions and requests for information on a wide range of everyday issues concerning home horticulture, water quality, indoor and outdoor pests, indoor air quality, backyard livestock, recreational ponds, nutrition, food safety, family finances and youth development for more information call 225-5505.

Community efforts include after-school programs, teen assessment projects, land use management planning, wellness teams, town office visits, master gardeners, and working with schools on maintenance of landscaped areas. We have a resource notebook in your town library.

The staff in Merrimack County includes these Extension educators: Peg Boyles, Judith Bush, Debbie Cheever, Nancy Evans, Tim Fleury, Kathleen Jaworski, Debbie Luppold, John Porter, David Seavey, Marilyn Sullivan and three support staff.

Visit our office located at 315 Daniel Webster Highway, Boscawen (right next to the Merrimack County Nursing Home). We're open Monday-Friday, 8 AM until 4 PM. Call us at 225-5505 and 796-2151 or find us on the web at [HTTP://CEINFO.UNH.EDU](http://ceinfo.unh.edu).

**SUMMARY OF SERVICES 1999
PROVIDED TO
CHICHESTER RESIDENTS
BY THE CONCORD AREA CENTER
COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

SERVICE DESCRIPTION	UNITS OF SERVICE	HOUSEHOLDS/PERSONS	VALUE
COMMODITY SUPPLEMENTAL FOOD PROGRAM is a nutrition program that offers participants free nutritious foods to supplement their daily diet. The program serves children under six years of age, women during pregnancy and up to 12 months after the birth of their baby. Value \$21.99 per unit. *(An individual may not be enrolled in both the WIC Program and CSFP but a family may have members on both programs.)	PACKAGES--117	PERSONS--10	\$ 2,572.83
CONGREGATE MEALS- All elders are welcome to our congregate meal sites/ Senior Centers for nutritious hot meals, social/recreational activities and special events. Value \$5.99 per meal.	MEALS--327	PERSONS--20	\$ 1,958.73
EMERGENCY FOOD PANTRIES provide up to three days of food for people facing temporary food crisis. Value \$3.00 per meal.	MEALS--180	PERSONS--21	\$ 540.00
FUEL ASSISTANCE is available to income eligible households to help with energy costs during the prime heating season. Priority is given to the elderly and disabled. The average benefit for the 1998-99 program was \$385.00.	APPLICATIONS--20	PERSONS--45	\$ 9,061.63
SUPPLEMENTAL ENERGY ASSISTANCE was authorized due to the extreme heat this summer. A \$100 payment was made on eligible clients behalf to their electric companies.	APPLICATIONS--9		\$ 900.00
TRANSPORTATION provides regularly scheduled demand response to and from towns in Belknap and Merrimack Counties to medical and professional facilities, shopping centers, and congregate meal sites. Value \$4.69 per ridership.	RIDES--7	PERSONS--4	\$ 32.83
MEALS-ON-WHEELS provides the delivery of nutritionally balanced hot meals to homebound elderly or adult residents five days per week. Value \$6.17 per meal.	MEALS--1018	PERSONS--7	\$ 6,281.06
NEIGHBOR HELPING NEIGHBOR provides emergency energy assistance up to \$250 for those not eligible for fuel assistance.	GRANTS--1	PERSONS--4	\$ 150.00
WOMEN, INFANTS AND CHILDREN provides specific food to supplement daily diet of pregnant or nursing women as well as children under five. Participants receive medical/nutritional screening, counseling and education. Value includes value of vouchers and clinical services at \$38.50 per unit.	VOUCHERS--119	PERSONS--10	\$ 4,581.50

SERVICE DESCRIPTION	UNITS OF SERVICE	HOUSEHOLDS/PERSONS	VALUE
USDA COMMODITY SURPLUS foods are now distributed directly to local food pantries and kitchens on a quarterly basis. These pantries and soup kitchens service all in need, not just town residents.	CASES--66		\$ 1,428.97
FAMILY PLANNING provides confidential, comprehensive gynecological care, including complete medical examinations, breast exams, Pap smears, pregnancy testing, birth control and counseling. Value \$60.00 per unit.	VISITS--7	PERSONS--4	\$ 439.20
		GRAND TOTAL	<u>\$ 27,946.75</u>
INFORMATION AND REFERRAL--CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.			

BCEP SOLID WASTE DISTRICT

A Message from the District Committee

1999 saw the District substantially finish its rebuilding program. It was also the first full year of recycling since the fire. While the percentage of materials recycled is not yet back to its prefire levels, the District was able to recycle almost 800 tons of material, saving some \$48,839.04 in tipping fees and generating \$42,432.23 in revenue. This provided a total real cash benefit to the taxpayers of \$91,271.27.

Unfortunately, 1999 also saw a substantial increase in fees for materials that are still landfilled or incinerated. In fact, fees increased 20% during the year. To make matters worse, it appears that this type of annual increase can be expected in 2000 and for the next few years. Currently, the District has only one company, within affordable trucking range, for disposal of materials. In simple terms, a monopoly has developed in southern New Hampshire which has eliminated any price competition for the disposal of waste. The District has no choice but to pay whatever tipping fee is demanded. You will note that the 2000 budget for tipping fees has increased by \$70,000.00. As a result of this increase, the District has been forced to pass a portion on to the four towns (\$52,745.00). While tax increases are always a negative, the amount is less than the cost increases to the District, and is the first tax increase from the District in six years.

The good news is that there are some things the general public can do to help the District control disposal costs. During 1999 the District paid to dispose of almost 3,200 ton of waste. Realistically, as much as one third (1,000 ton) of this waste was recyclable materials in the trash due to poor separation by some residents. Had this material been properly separated during 1999, the additional savings and revenue would have avoided any need for a tax increase in 2000.

The District Committee is specifically requesting that each and every resident who uses the facility squeeze every recyclable item possible from their trash. If everyone cooperates, the District will be able to avoid, or at least limit, future tax increases. For those facility users that don't have time to properly separate, the District Committee has instructed the Administrator and staff at the facility to aggressively enforce separation of materials for recycling. Enforcement will involve guidance first, followed by a warning, and for those who still don't separate, a substantial charge for each pound of material not properly separated.

If you have comments or suggestions please pass them on the staff at the facility. If you would like to attend a District meeting, the Committee meets the last Thursday of each month, at 7:00 PM, at the Facility. If you would like to be on the agenda for a Committee meeting, please let the Administrator know prior to the day of the meeting.

Waste Tonnage Shipped in 1999

Garbage	2,468.5 tons
Demolition	696.7 tons
Tires	73.4 tons

Total Waste	3,238.6 tons
--------------------	---------------------

Recycling Revenue	42,432.23
Avoided Tip Fees	48,839.04

Total Benefit	\$ 91,271.27

**MINUTES OF THE CHICHESTER SPECIAL SCHOOL DISTRICT MEETING
JANUARY 16, 1999**

The special meeting of the Chichester School District was called to order by Moderator Peter Marsh at 9:00 A.M. on January 16, 2000 at the Grange Hall.

Introductions were made as follows:

School Board Members--

Douglas Hall, Chairman

Robert Mann

Paul Twomey,

School Administrative Unit #53 Official:

David Dziura, Assistant Superintendent

Chichester Principal:

Pamela Stiles

Chichester School District Clerk:

Gloria Nardini

The approximately 70 people in attendance were asked to rise for a moment of silence and to recite the Pledge of Allegiance. Moderator Marsh presented the rules under which this meeting would be conducted. Doug Hall explained why a High School Options Committee had been formed and why this special meeting had been called.

Article 1: TO HEAR THE REPORT OF THE SCHOOL DISTRICT HIGH SCHOOL STUDY COMMITTEE

A motion was made by S. MacCleery and seconded by F. Fenton to have the report of the High School Options Committee presented. The co-chairs of the committee, Mary Castelli and Gloria Andrews, gave this report.

Article 2: TO DETERMINE WHETHER THE SCHOOL DISTRICT SHOULD INITIATE A STUDY IN ACCORDANCE WITH RSA 195-A:14 TO WITHDRAW FROM THE PEMBROKE ACADEMY AUTHORIZED REGIONAL ENROLLMENT AREA AGREEMENT.

A motion was made by S. MacCleery and seconded by K. Ruoff to put Article 2 on the floor. Motion carries. A motion was made by S. MacCleery and seconded by C. Davenport to allow non-voters to speak at this meeting. Motion carries. Doug Hall explained what would be involved in a study to withdraw. Bob Mann presented the various warrants that would be presented to the Pembroke voters.

Tom Haley, Superintendent of Schools, SAU #53, and John Graziano, Principal of Pembroke Academy, gave information on the renovations needed at Pembroke and the plans for further improvements in the high school curriculum. After much discussion Frank Lemay proposed that the warrant be amended to call for different actions based on which bonds are actually passed by the voters of Pembroke. A motion was made by B. Towle and seconded by L. Ari to amend Article 2.

AMENDED ARTICLE 2 – THE SCHOOL DISTRICT SHALL INITIATE A WITHDRAWAL STUDY IN ACCORDANCE WITH RSA 195-A:14 TO WITHDRAW FROM THE PEMBROKE ACADEMY AUTHORIZED REGIONAL ENROLLMENT AREA AGREEMENT, SUCH STUDY TO BE TERMINATED IF THE PEMBROKE SCHOOL DISTRICT VOTES TO APPROVE THE EXPANSION AND RENOVATION BOND CURRENTLY LISTED AS ARTICLE 1 ON THE PEMBROKE SCHOOL DISTRICT WARRANT.

MOTION TO AMEND PASSES 52 IN FAVOR 20 OPPOSED

Question called to pass amended Article 2.

MOTION CARRIES 60 IN FAVOR 7 OPPOSED

Doug Hall asked for a Sense of Meeting Resolution to read as follows:

THE VOTERS OF CHICHESTER SCHOOL DISTRICT ASSEMBLED IN SPECIAL DISTRICT MEETING ON JANUARY 16, 1999 URGE THE VOTERS OF THE PEMBROKE SCHOOL DISTRICT TO APPROVE ARTICLE 1 ON THE PEMBROKE SCHOOL DISTRICT WARRANT.

A motion was made by C. Davenport and seconded by F. Fenton to accept this resolution.

RESOLUTION PASSED BY UNANIMOUS VOICE VOTE

A motion was made by D. Hall and seconded by B. Mann to adjourn this meeting at 11:30 A.M.

MOTION CARRIES VOICE VOTE

Respectfully submitted by,
Gloria Nardini, Clerk
Chichester School District

MINUTES OF THE CHICHESTER SCHOOL DISTRICT MEETING
MARCH 6, 1999

The annual meeting of the Chichester School District was called to order by Moderator Peter Marsh at 10:15 A.M. on March 6, 1999 at the Chichester Central School Multi-Purpose room.

Introductions were made as follows:

School Board Members--

Douglas Hall, Chairman

Robert Mann

Paul Twomey,

School Administrative Unit #53 Official:

David Dziura, Assistant Superintendent

Chichester Principal:

Pamela Stiles

Chichester School District Clerk:

Gloria Nardini

A moment of silence observed and the Pledge of Allegiance was said by approximately 75 people. Moderator Peter Marsh read the ground rules for the meeting. A motion was made by T. Scott and seconded by S. MacCleery to accept the rules, motion carries.

A motion was made by S. MacCleery and seconded by P. Prescott to allow the non-residents to speak during the meeting, motion carries.

Moderator Marsh called for action on the warrant as follows:

Article 1: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO THE SUM OF THREE HUNDRED THREE THOUSAND (\$303,000) DOLLARS FOR THE PURPOSE OF CONSTRUCTING, FURNISHING AND EQUIPPING A NEW ADDITION TO AND THE RENOVATION OF THE CHICHESTER CENTRAL SCHOOL. THREE HUNDRED THREE THOUSAND (\$303,000) DOLLARS OF SUCH SUM TO BE RAISED THROUGH THE ISSUANCE OF BONDS OR NOTES UNDER AND IN COMPLIANCE WITH THE MUNICIPAL FINANCE ACT (RSA Ch. 33:1 et seq.) AS AMENDED: TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE, OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT, AND TO AUTHORIZE THE SCHOOL BOARD TO ISSUE, NEGOTIATE, SELL AND DELIVER SAID BONDS AND NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE

MATURITY AND OTHER TERMS THEREOF; AND TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY OTHER ACTION OR TO PASS ANY OTHER VOTE RELATIVE THERETO.

R. Mann explained why the School Board had chosen this plan for an addition and P. Stiles related how the addition should affect the school program. There was further discussion by the voters. A motion was made by P. Stiles and seconded by K. Ruoff to allow a school student to speak on conditions in the school. This motion was passed by voice vote. A motion was made to call the question by J. Saturley and seconded by F. Lemay. Moderator Marsh explained a ballot vote with a 2/3 majority was required and the polls must be opened for one hour. The voting began at 11:15 A.M. After a recess, the meeting reconvened at 11:45 A.M. The meeting continued on with other business while waiting for the results of the vote. At 12:15 P.M., the polls were closed and the vote counted.

ARTICLE 1 RESULTS:

95 votes cast

83 YES 12 NO (63 YES = 2/3)

ARTICLE 1 PASSED BY BALLOT VOTE

Article 2: TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

Motion made by S. MacCleery and seconded by B. Sweet to adopt the motion as written.

MOTION ADOPTED VOICE VOTE

Article 3: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APROPRIATE UP TO THE SUM OF TWENTY-EIGHT THOUSAND EIGHT HUNDRED (\$28,800.00) DOLLARS FOR THE PURPOSE OF CONTRACTING STUDENT TRANSPORTATION SERVICE FOR CHICHESTER HIGH SCHOOL STUDENTS TO AND FROM PEMBROKE ACADEMY DURING THE REGULAR SCHOOL YEAR.

R. Mann explained why the School Board was presenting this issue. After some discussion the question was called by S. MacCleery and seconded by S. Demers. Motion passed by voice vote. A motion made by N. Andrew and seconded by F. Ari to accept Article 3 as written.

MOTION FAILS 22 FOR 51 AGAINST BY SHOW OF HANDS

Article 4: IF ARTICLE 3 DOES NOT PASS: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO THE SUM OF FOUR THOUSAND (\$4,000.00) DOLLARS FOR THE PURPOSE OF PROVIDING STUDENT TRANSPORTATION FOR HIGH SCHOOL STUDENTS OF CHICHESTER FAMILIES IN ECONOMIC NEED TO AND FROM PEMBROKE ACADEMY DURING THE REGULAR SCHOOL YEAR.

A motion was made by S. MacCleery and seconded by S. Edmunds to vote on Article 4 as written.

MOTION PASSES 68 FOR 0 AGAINST BY SHOW OF HANDS

Article 5: TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT, INCLUSIVE OF ALL FUNDS APPROPRIATED IN PREVIOUS ARTICLES ON THIS WARRANT.

D. Hall gave an overview of the budget and explained the reasons for substantial increases in the budget. Questions and discussion ensued. G. Palmer said that he would like to increase the amount of money used to buy computers. P. Stiles stated that there was a need in the school for more computers. A motion was made by G. Palmer to increase Account #1100-1199 by \$10,000.00; this was seconded by B. Sweet.

MOTION PASSES 35 FOR 30 AGAINST BY SHOW OF HANDS

ACCOUNT #1100-1199 INCREASED BY \$10,000.00

K. Ruoff motioned to have Account #2000-2199 increased by \$5,000.00 so that the School Nurse could be on duty five days a week; this was seconded by P. Thomas. After a brief discussion the question was called.

AMENDMENT FAILS 12 FOR 41 AGAINST BY SHOW OF HANDS

S. MacCleery moved to accept Article 5 as amended; seconded by H. MacCleery.

MOTION PASSES 60 FOR 0 AGAINST BY SHOW OF HANDS

THE BUDGET AS AMENDED AT \$2,842,867.00 IS ACCEPTED

Article 6: TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

Motion was made by S. MacCleery and seconded by P. Prescott to pass over Article 6 until March 9, 1999 at 10:00 A.M.

MOTION CARRIES VOICE VOTE

Article 7: TO TRANSACT OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

P. Twomey gave a short tribute to outgoing School Board Member Doug Hall; this was followed by a standing ovation for Mr. Hall. A motion was made by R. MacCleery and seconded by S. MacCleery to adjourn this meeting at 1:25 P.M.

MOTION CARRIES VOICE VOTE

March 9, 1999

The polls were opened at 10:00 A.M. by Town Moderator Doug Hall for the purpose of voting.

The polls were closed at 7:00 P.M. and ballots were counted with the following results:

SCHOOL BOARD	Mary Castelli	3 years
CLERK (write-in)	Gloria Nardini	1 year
MODERATOR	Peter Marsh	1 year
TREASURER	Evelyn Pike	1 year

The Chichester School District meeting officially closed 9:00 P.M., March 9, 1999.

Respectfully submitted by,
Gloria Nardini, Clerk
Chichester School District

MINUTES OF THE CHICHESTER SPECIAL SCHOOL DISTRICT MEETING
AUGUST 11, 1999

The special meeting of the Chichester School District was called to order by Moderator Peter Marsh at 6:05 P.M. on August 11, 1999 at the Grange Hall.

Introductions were made as follows:

School Board Members--

Robert Mann, Chairman

Mary Castelli

Paul Twomey,

School Administrative Unit #53 Official:

David Dziura, Assistant Superintendent

Chichester Principal:

Pamela Stiles

Chichester School District Clerk:

Gloria Nardini

The approximately 45 people in attendance were asked to rise for a moment of silence and to recite the Pledge of Allegiance. Moderator Marsh read the ground rules for the meeting. Neal Andrew made a motion to accept these rules and seconded by David Hussey. The motion was carried by a voice vote.

A motion was made by Mark McIntosh to place Article 1 on the floor. It was seconded by Heather Barker. This passed by a voice vote.

Robert Mann then proceeded to explain the motion and how the motion had been determined. He discussed the history of bus transportation to Pembroke Academy throughout the years. Most importantly he explained why this issue was being brought back before the voters after it had been defeated at the School District Meeting. Changes in the contracts with bus companies affecting routes, the prospect of additional funds from the state and especially issues of safety affected this decision. Paul Twomey reemphasized the importance of safety as a reason for this issue being brought forward again.

The now approximately 50 people at the meeting opened the floor to questions and discussion. There was much discussion about particulars of this new system and to the funding for it. Many expressed their opposition or support for this article. Douglas Hall finally moved to put the motion on the floor; Neal Andrew seconded this.

Moderator Marsh then read the article as written:

Article 1: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO THE SUM OF TWENTY THOUSAND THREE HUNDRED (\$20,300) DOLLARS FOR THE PURPOSE OF CONTRACTING STUDENT TRANSPORTATION SERVICE FOR CHICHESTER HIGH SCHOOL STUDENTS TO AND FROM PEMBROKE ACADEMY DURING THE REGULAR SCHOOL YEAR.

It was decided that this vote was important enough that the vote should be by a show of hands rather than a voice vote.

MOTION PASSES 37 FOR 13 AGAINST BY SHOW OF HANDS

Louis Barker thanked the school board members for taking the time to look into the best interests of the students. A motion was made by Douglas Hall and seconded by Randy Morrison to adjourn this meeting at approximately 7:00 P.M. Motion carries by voice vote.

Respectfully submitted by,
Gloria Nardini, Clerk
Chichester School District

REPORT OF SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1998 to June 30, 1999

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

January 5, 2000

The School Board
Chichester School District
Chichester, New Hampshire 03275

I have audited the financial statements of the Chichester School District as of and for the year ended June 30, 1999, and have issued my report thereon dated January 5, 2000. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Chichester School District's financial statements are free of material misstatements, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of non-compliance.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Chichester School District's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended for the information of the Audit Committee, management, and federal awarding agencies, pass through entities. However this report is a matter of public record and its distribution is not limited.

I extend my thanks to the officials and employees of the Chichester School District for their assistance during the course of my audit.

Brent W. Washburn

Appendix on Internal Controls

This is an Appendix to the January 5, 2000 Chichester School District's report on internal controls and compliance based on an audit performed in accordance with Government Auditing Standards. The following are items that came to my attention during the audit regarding the design and operations of internal controls and compliance with laws, regulations, and other provisions of contracts and grants:

1. Inventory of Fixed Assets

Criteria: Inventory of fixed assets represents a significant control tool in monitoring the School District assets and is essential to prepare reliable financial statements.

Condition: The School District does not have a schedule of assets controlled by the School District. Schedules of assets purchased by federal grants has been maintained.

Cause: The normal practice of governmental units in New Hampshire has been to expense the fixed asset as purchase, and not to maintain any detail schedule of assets in use.

Recommendation: The District cause an inventory of these assets as soon as practical. The existence of fixed asset records will not only aid district officials in their control of these assets, but should be an invaluable tool in long range planning. General accepted accounting principles require fixed asset reporting as part of the general purpose financial statements and the audit opinion is being qualified due to the omission of this schedule.

Management Response: The School Board has budgeted monies in the fiscal 1999/00 budget to establish a Fixed Asset Tracking System.

2. Unsecured Cash

Criteria: The internal control procedures are designed to safeguard the assets of the School District.

Condition: The bank balance as per the bank statements at times was over the amount insured by federal bank deposit insurance. At one point during the year the balance reached \$418,406.

Cause: The need for manageable request from the town for the money appropriated results in large deposits.

Recommendation: The cash flow should be analyzed to insure that the cash balance is maintained at its lowest possible amount. The School District has joined the New Hampshire Public Deposit Investment Pool. The District has taken the practicable steps to reduce the risk of uninsured deposit. No further steps are considered necessary.

Management Response: Discussions with School District Treasurer will continue in order to maximize the use of the Investment Pool as a cash flow tool.

REPORT OF THE SCHOOL BOARD

Chichester Central School passed its 50th year in 1999. Since the time of its original four classrooms, the school has been expanded six times. Over that period, public education has gone through dramatic changes to prepare students for life in the late twentieth, and now, the twenty-first century. Although lighting, plumbing, windows, and ventilation have been replaced in recent years, the original school structure remains sound. Our proposed 2000/01 budget will hopefully allow us to replace a portion of the 1949 vintage classroom furniture!

Voters approved funds for a 2-room addition at 1999 annual meeting. It appears that the project was especially well-timed given the town's current growth concerns in a year when there was a disproportionately high number of new residential housing starts. The addition was undertaken in a "construction management" mode, which resulted in some substantial savings to the district. The additional space has allowed some badly needed rearrangement of programs, and has especially benefited the middle school, which no longer operates with two classes within a single split classroom. The project has also restored instructional space for art and reading recovery.

Which is not to say that all space needs have been met. We continue to house one class in space which has far less than state-required area. Our music program continues to hold forth on the multi-purpose room stage. Storage space is still at a premium, and school supplies billeted in the hallways in September continues to be a Chichester tradition.

Under the superb guidance of Mrs. Pamela Stiles, our second-year principal, several programs in the early grades have grown and prospered. Kindergarten, now in its third year, provides half-day instruction to insure that more youngsters start first grade with a solid foundation. Reading Recovery continues to be a mainstay at the kindergarten and first grade levels through early identification and remediation of reading problems. Since its inception at the school in 1995, this program has brought students to a grade-appropriate skill level by the second grade. The use of Individual Student Plans, which recognize and build on individual learning styles, was piloted in the second grade during the 1998/99 school year and has been extended into the third grade during the current year. This program, which establishes individual learning benchmarks for parents as well as students and teachers, has the potential to be extended to all grade levels.

Within the past year the instructional curriculum for science and mathematics has been modernized and realigned with current standards. The same effort is on-going in the current year for language arts, music, physical education, art, guidance, and health. It is our hope that social studies curriculum will be completed within the next year. The statewide assessment testing, now in its sixth year, provides a

measure of student performance at the third and sixth grades. In the coming spring, Iowa standardized testing will be used to fill the gaps to provide assessment at all other levels from the first through eighth grades.

We are especially proud of the school's fledgling instrumental music program, buttressed by individual family-supported instruction by Paula Jackson and minimal district support. The school orchestra made its debut appearance at the annual Christmas concert, a modest beginning which displayed both promise and virtuosity.

Chichester's high school students have attended Pembroke Academy under an AREA agreement for thirty years. The Board is optimistic that many citizens' concerns heard in the past have been addressed or are under discussion. In the past year, the Board has completed a multi-year study of high school options, including cooperative and tuition relationships with neighboring towns. At a special district meeting in February, voters affirmed support for P.A. in advance of a major bond issue for high school improvements. The on-going P.A. facilities expansion and improvement, the first in the last 28 years, will upgrade facilities in keeping with similar improvements in staff, administration, scheduling and curriculum over the past few years.

The past year has brought major changes in state financial support for education. The increased revenue from the State Education Grant resulted in less than \$4 per \$1,000 reduction in the school portion of the tax rate as compared to the rate the District otherwise would have seen in 1999. We emphasize that the increased state aid can be spent by the District only through the usual budget approval process at district meeting. Despite the early optimism that the retooling of state funding would result in meaningful and long-term property tax relief in our town, the picture which is emerging is one of temporary tax relief, possibly to be quickly undone by major increases in health insurance and other non-discretionary costs alone.

Special Education continues to be a major concern for all involved in public education. Though costs in this area continue to rise, the Board continues to believe in the program's major societal benefits. We have expressed our support to the Congressional Delegation for federal funding of 40% of special education costs as was included in the federal legislation 28 years ago. In the face of ever-increasing need for services, we continue to minimize costs by pooling resources with other districts in the SAU and by maximizing in-district services at Chichester Central and at P.A.

The district continued its success in obtaining special grant funds for specific purposes. The receipt of Goals 2000 funding in 1998, received largely through the efforts of Mary Castelli and Gary Palmer, provided opportunities for staff training in computer skills. Last spring, the school received 15 refurbished personal computers through the Governor's Computer Initiative. And last fall, the District received a second Goals 2000 grant, almost entirely through our principal's efforts, for staff training for improvement of language arts and mathematics instruction. The district also continues to receive the annual proceeds from the Leavitt Trust, based on funds bequeathed to the district by Mr. Myron Leavitt in 1936.

It must be said that administrators, teachers, classroom aides and other school staff continue to be, by far, our district's most valuable asset in providing a safe, fulfilling educational environment for the town's children. The school continues to depend heavily on volunteers from the community to provide essential assistance in numerous areas of school life. In the fourth year of the Alan Clark/Freda Jones award for outstanding service to Chichester Central, the Board recognized the services of two of our leading volunteers, Gloria Nardini and Katie Ruoff. The school has also recently earned the Blue Ribbon School Achievement Award for its excellent school volunteer program.

Robert Mann, Chair
Chichester School Board

SUPERINTENDENT OF SCHOOLS REPORT

In the recent past, there has been a marked increase in the number of books and articles which seek to define what students should know and be able to do upon successful completion of their public school education. While students enrolled in public schools represent the widest possible range of skills, abilities, and talents, I believe we would all concur with the basic goal that each should be expected to read, write, reason and cipher at the highest possible individual level. The best way to fully achieve this goal is a subject of much disagreement and debate. However it has been clearly established that students learn best when they find a topic personally relevant and are able to use a variety of learning pathways to ensure understanding and mastery. We offer our students many opportunities to avail themselves of programs which utilize the qualities of relevance and instructional variety. Among them are vocational/technical education and school-to-careers activities, two programs I would like to take the opportunity to highlight.

Our high school-age students have the option of exploring a number of vocational options and subsequently attending classes in a specific skilled trade area at a regional vocational/technical center. These centers, located strategically state-wide, offer students the chance to utilize the very latest equipment and technology, opportunities which would likely be unavailable in each individual district. Through a vocational program the concepts of subjects such as geometry and physics are presented in the context of building construction; science and computer technology through auto mechanics, graphics or culinary arts. Students' knowledge is assessed by actual production as well as by paper-and-pencil tests. The satisfaction inherent in producing a product that is useful, durable and aesthetically pleasing boosts self confidence and motivation.

Students elect vocational classes for a variety of reasons, some to test out a career path prior to college, others to learn entry-level skills necessary for the transition into a particular occupation. On average, ten to fifteen percent of our students attend vocational classes, with graduates about evenly divided between those entering higher education and working world.

The school-to-careers program, which has to date been funded largely by SAU-wide grants, provides students and teachers the opportunity to engage in activities designed to replicate the demands and outcomes of real-life work experiences. School-to-careers involves all students from kindergarten through grade twelve. The program's goals are to assist and challenge students to become aware of career options, understand the relevancy of academic learning and its applications to real world experiences, explore individual career interests, and better understand how school success and career success connect.

School-to-careers engages elementary children in activities which promote basic career awareness, applied learning, and problem-solving skills. Middle level student focus on career exploration while high school students combine these earlier experiences with job shadowing, internship and apprenticeship opportunities. School-to-careers is intended to promote collaboration among schools, employers and the community, affording a seamless transition after high school either to post-secondary education or to employment.

All students can benefit from recognizing their own individual learning styles. The opportunity to master material in different, non-traditional settings can make a significant difference in the academic lives of all our students. I encourage parents to become familiar with the various opportunities SAU #53 offers to its students both within the walls of our schools and in the greater community.

Respectfully submitted,
Thomas Haley
Superintendent of Schools

PRINCIPAL'S REPORT

Chichester Central School opened its doors to students on September 1, 1999 with 258 students. As of January 3, 2000, our school population was at 259.

This year we were pleased to welcome the following staff members to our school community:

Resa Audet
Stacey Manning

Reading Specialist
Educational Assistant

After a very busy summer with architects and builders, the two new rooms were ready on schedule. The middle school students who now occupy those rooms enjoy a full-size classroom with ample room for learning. Other parts of the building were also updated. New lighting was added to the primary wing, new bathroom fixtures replaced those that were 50 years old, the reading room was moved to the old art closet (making it possible to remove a temporary wall in Mrs. Binder's room), and the art room found a new home in a full-size classroom. The primary hallways were painted as were the bathrooms, lockers were assembled for grades 6, 7 and 8 and minor electrical and plumbing problems were taken care of.

The plans for curricular updates are on schedule. The Board approved the math and science guides in May 1999. Both curriculum areas are now aligned to the N.H. State Frameworks. In February 2000, the Unified Arts Curriculum Guide (art, guidance, health, music, and physical education) will be presented to the Board. Presently the Language Arts committee is working on creating a document that outlines the components of English Language Arts; it will be ready for approval in May 2000. As our scores on the N.H. Assessment test rise, we are pleased to acknowledge that the work that has gone into curriculum improvement has resulted in increased student achievement.

This year we are working in collaboration with Learning Innovations, the University of New Hampshire, and Karen Gingrich, a math specialist, to strengthen Language Arts and mathematics. The Goals 2000 grant that we received in the amount of \$35,000 has made it possible for teachers to address the N.H. Frameworks, components of good teaching, math strategies, writing, and technology. Our language arts state test scores for 3rd grade improved 25% while math improved 10%. In grade 6, the scores rose 13% and 16% respectively. Our collaborative efforts plus classroom strategies such as rubrics, literature circles, picture-making, AIMS, and math buddies are all influencing factors in our continuing growth and improvement.

The individual student plan is now in place for grades 2 and 3. With modifications made for parent input, all students in those grades have an individualized goal and an identified learning style. The goal is placed on the report card so that quarterly progress can be noted. Individualized instruction and our continuing quest for excellence makes it necessary for teaching to take place outside of the regular classroom. The reading recovery program continues to offer our young students the necessary support to be on grade level in reading at the end of first grade. The homework club, which meets twice a week, gives assistance to any student who

needs a little extra “boost.” Offering student leadership positions also helps to promote confidence. This year, our students can take part in creating the school climate by representing their class in student council, mediating difficulties between two parties, running the school store, or delivering mail for the WEE Deliver mail program. All of these, new this year, build character and help to develop strong, confident leaders.

The assessment program is adding a new component part this year. Along with the computerized STAR math and STAR reader programs and the N.H. Assessment test, students in grades 1, 2, 4, 5, 7 and 8 will be taking the Iowa Test of Basic Skills. This yearly measurement will allow us to monitor student growth and achievement in a more objective manner. From year to year, we can analyze where work is needed and where our students are strong.

Every classroom has 2 modern computers and an Internet hook-up. The two new computer clusters are working to teach keyboarding skills and reinforce curriculum areas. Creative projects in PowerPoint are enhancing learning as students format their knowledge on American Indians, the States, and Explorers. The school website is only bare bones, but, with the help of Doug Hall and Laura Miller, we are hopeful that it will become a valuable student-maintained resource for parents and the community.

Some of our programs have experienced a change. The middle school now encompasses grades 6, 7 and 8. Spanish is being taught to grades 5-8. The music program has added band to its cadre of musical opportunities. The guidance program is embracing school-to-work, peer mediation, and Jr. Achievement. Our goal to keep programs fresh and opportunities meaningful push us forward to explore options while maintaining balance.

The caring adults who model the value of learning enrich our classrooms. The Educational Assistants are flexible, dedicated professionals; the parent volunteers, headed up by Gloria Nardini, serve the children and school in a number of ways; and, the PTO continues to support the school’s curricular advancements. To all of the parents and community members who serve on committees, coach sports, help with special programs, serve as mentors, and “cheer” on individual children in their daily endeavors, we thank you.

Let us not forget the hard-working group of support staff without whom we could not function: custodians, lunch workers, guidance, the nurse, and the school secretary.

This is truly a unique year. We now look back over the past 50 years and reflect on the number of changes that have occurred since our opening in 1949. And on this, the 50th anniversary of the opening of ‘Chichester Consolidated School’ as well as the beginning of a new century, we can look forward to the many challenges and opportunities that will await our children. It is a pleasure to serve as your Principal during this time. Your support and caring have helped to shape who we are and what we stand for.

Respectfully submitted,
Pamela Stiles, Principal
Chichester Central School

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Chichester Central School in said District on the 11th day of March, 2000 at 10:00 o'clock in the morning to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.
2. To discuss the Chichester Central School Foreign Language Program and the merits of expanding the current one-half Spanish Teacher position to a full-time position allowing Spanish to be formally taught at the lower elementary grade levels.
3. To see if the District will vote to raise and appropriate up to the sum of thirty three thousand seven hundred and ninety seven (\$33,797.00) dollars (which represents the amount raised but unspent on the classroom addition building project approved at the March 6, 1999 Annual School District Meeting) to be added to the Chichester School District Building Planning, Renovation, Maintenance and Construction Trust Fund previously established. The trust was established for the purposes of repairing, renovating and maintaining existing school buildings, constructing additions, or supporting facility planning and design costs.

School Board recommends approval.

4. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District, inclusive of all funds appropriated in previous articles on this warrant.
5. To see if the District voters wish to pass the following resolution:

"Whereas the current educational tax system is both unfair and unworkable, the people of Chichester urge the State Legislature to enact a system of taxation that fully meets the State's educational obligation in a sustainable manner, without reliance on a property tax."
6. To choose Agents and Committees in relation to any subjects embraced in the Warrant.
7. To transact other business that may legally come before said meeting.

Given under our hands and seal this 18th day of February, 2000.

Robert Mann, Chair
Mary Castelli
Paul Twomey
CHICHESTER SCHOOL BOARD

CHICHESTER SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Grange Hall in said District on the 14th day of March, 2000 at 10:00 in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

The polls are to open at 10:00 A.M. and will close not earlier than 7:00 P.M.

All other School District business to be conducted at the regular School District meeting as otherwise posted.

Given under our hands at said Chichester this 18th day of February, 2000.
